

Ilio 10 Special Edition - 2700K - App Compatible

Ernesto Gismondi

IP20   

LUMINAIRE

- Watt: **45W**
- Spannung (V): **220-240V**
- Lichtstrom (lm): **3332lm**
- CCT: **2700K**
- Efficiency: **87%**
- Efficacy: **74.04lm/W**
- CRI: **90**

Anmerkungen

BESCHREIBUNG

Artemide celebrates the 10th anniversary of Ilio with a special autographed and numbered version of 2000 pieces. Designed by Artemide's founder Ernesto Gismondi, Ilio is an essential and timeless element.

It is a synthesis of manufacturing and functional intelligences that is renewed thanks to a refined and sustainable shaded metal finish obtained with PVD technology.

This gradation of shades, ranging from warm to cold, gold to silver, interacts with its surroundings by gently reflecting the colours.

Ilio 10 special edition is not only an extremely high-performing and efficient lighting product, but also an iconic and unique object.

In fact, each piece of this limited edition is engraved with both Ernesto Gismondi's signature and serial number.

The finish obtained with the PVD (Physical Vapour Deposition) process is another demonstration of Artemide's attitude towards an increasingly sustainable design and production. Dynamic light management with Artemide App makes each author aware of their own light.

Ilio 10 Special Edition celebrates the past while projecting into the future.

FUNKTIONEN

- Produktcode: **1640W00APP**
- Farbe: **Gold/Silver**
- Installation: **Stehleuchte**
- Material: **Aluminium, steel**
- Serie: **Design Collection**
- design: **Ernesto Gismondi**

DIMENSION

- Höhe: **1750 mm**
- Breite: **90 mm**
- Länge Fuß: **300 mm**
- Breite Fuß: **300 mm**
- Widerstand: **N.D.**
- Glühdrahttest: **750°**

INKLUSIVE LICHTQUELLEN

- Kategorie: **Led**
- Anzahl: **1**
- Watt: **36.36W**
- Lichtstrom (lm): **3646lm**
- Farbtemperatur(K): **2700K**
- CRI: **90**
- Color Tolerance: **MacAdam 2SDCM**
- Efficacy: **100lm/W**
- Service Life: **50000-L70**

ZUBEHÖR

Device for switching and controlling Artemide App products. Max N.3 inputs for external push buttons. Max 1m distance. Mains power supply required. To be installed inside flush mounting boxes or junction boxes. DV1080APP
