Product Facts

Description

Vig is a collection of outdoor furniture in a timeless and functional design, made from a double powder coated steel to withstand the wear and tear of outside use. The Vig collection features a wide variety of stackable outdoor furniture pieces, including dining chairs, a lounge chair, a chaise longue, a bench, barstools and a range of tables in different sizes. The wooden elements featured on parts of the collection are made with Robinia wood, an extremely hard, durable, weather-resistant and fast-growing wood type. The Vig collection is designed to fit seamlessly into any outdoor setting and crafted to be used for many years.

Designer / Year Of Design

Simon Legald / 2023

Material

Steel version: Double powder-coated steel
Wood version: Oiled Robinia Wood

Construction

The Vig Series is characterized by its construction utilizing double powder-coated steel or oiled Robinia wood, both of which are renowned for their superior durability and are ideally suited to withstand the rigors of an outdoor environment. The collection is available in three different colors.

Maintenance

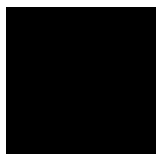

Clean with a damp cloth.
